MDs for New Mexico

0% Interest Benefit Program Requirements

To help retain graduating medical students and address the ongoing shortage of practicing physicians in New Mexico, NMSL has implemented the “MDs for New Mexico” incentive program.

Program Benefits

Once a borrower's certification form is approved, his/her existing interest rate on NMSL Stafford loans will be adjusted to 0% per year and his/her interest rate on NMSL Consolidation loans will be reduced to 1.25% per year. New Mexico Student Loans reserves the right to terminate this incentive program at any time.

Eligible Loans

- Stafford loans guaranteed between May 1, 2000 and July 1, 2009 by the New Mexico Student Loan Guarantee Corporation and owned by New Mexico Student Loans.
- Grad PLUS disbursed on or before June 30, 2009.
- Consolidation loans guaranteed by the New Mexico Student Loan Guarantee Corporation and owned by New Mexico Student Loans.

Program Eligibility Requirements

1. Borrower must be working as a full-time licensed practicing physician in New Mexico and providing health care in a public or private capacity.
2. Borrower must file a certification form with NMSL annually. The reduced interest rates will continue as long as program criteria are met and certification forms are submitted annually.
3. The minimum monthly loan payment is \$50.00. Eligible applicants must select the standard repayment period for this program.
4. Loan(s) for which eligible applicants are seeking the interest benefit cannot be delinquent or in default. All delinquent or defaulted loans must be brought to current status before borrowers may apply for this program.
5. Deferments or forbearances cannot be used as a means to bring delinquent or defaulted loans current.
6. Borrowers who choose to consolidate with another lender/broker or Direct Lending will lose future program benefits and any reduced-interest program benefits already received will be added to the borrower's consolidation payoff amount.
7. Benefits are not retroactive. Receipt of a benefit under this program does not entitle the applicant to a refund of any prior payments made on the loan.
8. PLUS loans are not eligible for this program.
9. Loans that become 90 days delinquent will be permanently removed from the program.
